HANDHELD DEMONSTRATION MISSION PACKET
Synthetic content. Not a real operation, location, unit or order.

OBJECTIVE
Exercise AMBER FIELD is a daylight site-security watch of two camera sectors.
The operator reports unattended bags and any vehicle stopping in the car park.

TIMES
The watch runs from 09:00 to 09:30 local; the report is due at 09:35.

LOCATIONS
Sector 1 (camera 1): the car park, viewed from above.
Sector 2 (camera 2): the tree-lined park avenue with benches.

PEOPLE AND UNITS
One handheld operator. The range warden on duty is the safety officer.

RESTRICTIONS
Observe and report only; do not approach or stop anyone.
Do not record identities of members of the public in reports.

RESOURCES
One handheld device and two fixed cameras, one per sector.

DEPENDENCIES
The watch starts only when both cameras report a live feed.

RISKS
Crowds on the park avenue can hide people; moving vehicles in the car park.
